

TEST- MODULE E

Name : Ariel Haztoel

Date: 14.12.2021

1. What do we learn from lines 1-8

C. The media affects how teens perceive themselves

2. Why does the standard of beauty presented in the media affect teens more than adults?

Because teens are just starting to develop their body image while adults have already developed their body image.

3.

a. TRUE

b. "As a result, more and more teens are suffering from health problems"

4.

a

d

5.

It refers to The appearance of teens

6.

an influential adult

7.

1. Adults have a major influence on teens so if they have a negative body image teens will think it's okay to have one too.

2. Parents and teachers should promote a healthy body image in order to show teens that The "Perfect body" does not exist in real life

8.

b. Parents
